11:00 - 11:05am **Opening Remarks**

11:05 - 11:55am **The State of Healthcare: A View from the Top**

Hear from hospital systems, providers and the boots on the ground on what is next for the industry, what they are looking for moving forward and how you can prepare.

11:55am - 12:15pm **Lunch is Served**

12:15 - 12:50pm **Special Presentation: Healthcare in Live/Work/Play Communities**

12:50 - 1:10pm **Networking Break**

1:10 - 2:00pm **Follow the Money: Capital Markets Update**

Find out where the investment dollars are heading and the types of properties they are chasing: medical office, urgent care, SNIFs, seniors care, and more. What is penciling and what isn't, and what do savvy investors see on the horizon.

2:00 - 2:50pm **Patient-Centric Care: The Next Wave in Design and Development**

Hear from developers, designers and contractors on where new developments and redevelopments are headed. How is the value-based model of reimbursement impacting the type of product in demand, how is technology impacting design and development decisions, and what is next?

2:50 - 3:05pm **Networking Break**

3:05 - 3:55pm **The Big Squeeze in Senior Living**

The population is rapidly aging as older boomers are starting to retire, and Gen-Xers are caring for elderly parents, causing senior housing to shift from a CRE step-child to an investment darling. Hear from developers, investors, and lenders on what is happening in the space and how to capitalize on demographic shifts.

3:55 - 4:45pm **REIT Roundtable**

The most active REITs in the space will discuss the intricacies of investment in healthcare real estate and what makes the assets a strong investment.

4:45 - 6:00pm **Closing Cocktail Reception**
